

The background of the entire page is a photograph of three children on a large, red and white inflatable slide. A girl at the top is smiling with her arms outstretched. A boy in the middle is making a playful grimace with his eyes closed and arms outstretched. A girl at the bottom is screaming with her mouth wide open and arms outstretched. All three children are wearing colorful wristbands.

Why Otterspool Adventure?

Here at Otterspool we pride ourselves in being one of the best days out in Liverpool.

We are a 3 acre outdoor site with a wide range of activities for children from crawling age to 12. We know that everything's more fun outdoors, and children have an easier time focusing on tasks and gaining independence.

Outdoor learning is the perfect way to help children grow their natural curiosity, improve their physical and mental health, as well as boosting their self-confidence.

Where are we based?

We are located overlooking the beautiful River Mersey. A more peaceful area of the city, free from the hustle and bustle of the city centre.
