

The background of the entire page is a photograph of three children sliding down a large inflatable slide. The slide has alternating red and white sections. The child at the top is a girl with brown hair, wearing a light blue t-shirt, with her arms outstretched and a smile. The child in the middle is a boy with brown hair, wearing a white t-shirt with small black dots, with his eyes squeezed shut and a pained or excited expression. The child at the bottom is a girl with brown hair, wearing a light-colored t-shirt with a white ruffled collar, with her mouth wide open in a scream or shout. All three children are wearing yellow wristbands.

# Why Otterspool Adventure?

Here at Otterspool we pride ourselves in being one of the best days out in Liverpool.

We are a 3 acre outdoor site with a wide range of activities for children from crawling age to 12. We know that everything's more fun outdoors, and children have an easier time focusing on tasks and gaining independence.

Outdoor learning is the perfect way to help children grow their natural curiosity, improve their physical and mental health, as well as boosting their self-confidence.
