Why Otterspool Adventure?

Here at Otterspool we pride ourselves in being one of the best days out in Liverpool.

We are a 3 acre outdoor site with a wide range of activities for children from crawling age to 12.

We know that everything's more fun outdoors, and children have an easier time focusing on tasks and gaining independence.

Outdoor learning is the perfect way to help children grow their natural curiosity, improve their physical and mental health, as well as boosting their self-confidence.

Where are we based?

We are located overlooking the beautiful River Mersey. A much more peaceful area, free from the hustle and bustle of the city centre.

What to Wear?

Make sure you prepare for the Great British Weather!

Otterspool Adventure is mostly outdoors with minimal coverage so please bear this in mind when packing for your visit.

At Otterspool Adventure we are open rain or shine. We find that most adventurers don't mind a spot of rain so their day continues just the same.

We recommend that visitors come prepared for wet weather – pack your wellies and a rain coat, all of our activities remain open in the rain apart from our bouncing pillows.

If you're lucky enough to join us on a sunny day, do not forget to bring a pair of socks- children are not able to use our bouncing pillow without socks. Make sure you bring sun cream and a sun hat to stay protected.
